

An aerial photograph of Iloilo, Philippines, showing the city built on a peninsula and surrounded by water. The sky is filled with white clouds. The text is overlaid on the right side of the image.

Vision

**A ROBUST, PROGRESSIVE,
GLOBALLY-COMPETITIVE
AND RESILIENT**

ILOILO

Mission

A local government unit committed to provide equitable distribution of resources and opportunities through good governance.

Our Goals

1. To increase investments and employment opportunities
2. To attain Food Security
3. To provide accessible health and social services
4. To protect and manage the resources and assets of the Province
5. To provide effective, efficient and transparent government administrative services
6. To maintain order and promote public safety.

A photograph of several farmers working in a rice field. They are bent over, planting rice seedlings in the water. The scene is outdoors, with a wooden fence and trees in the background. The lighting is bright, suggesting a sunny day. The text is overlaid on the left side of the image.

Development Thrust

To **maximize agricultural production**.
Create a value chain for agricultural products,
and in the process generate employment and
business for the Province's
agricultural-tourism industry.

Development Thrust

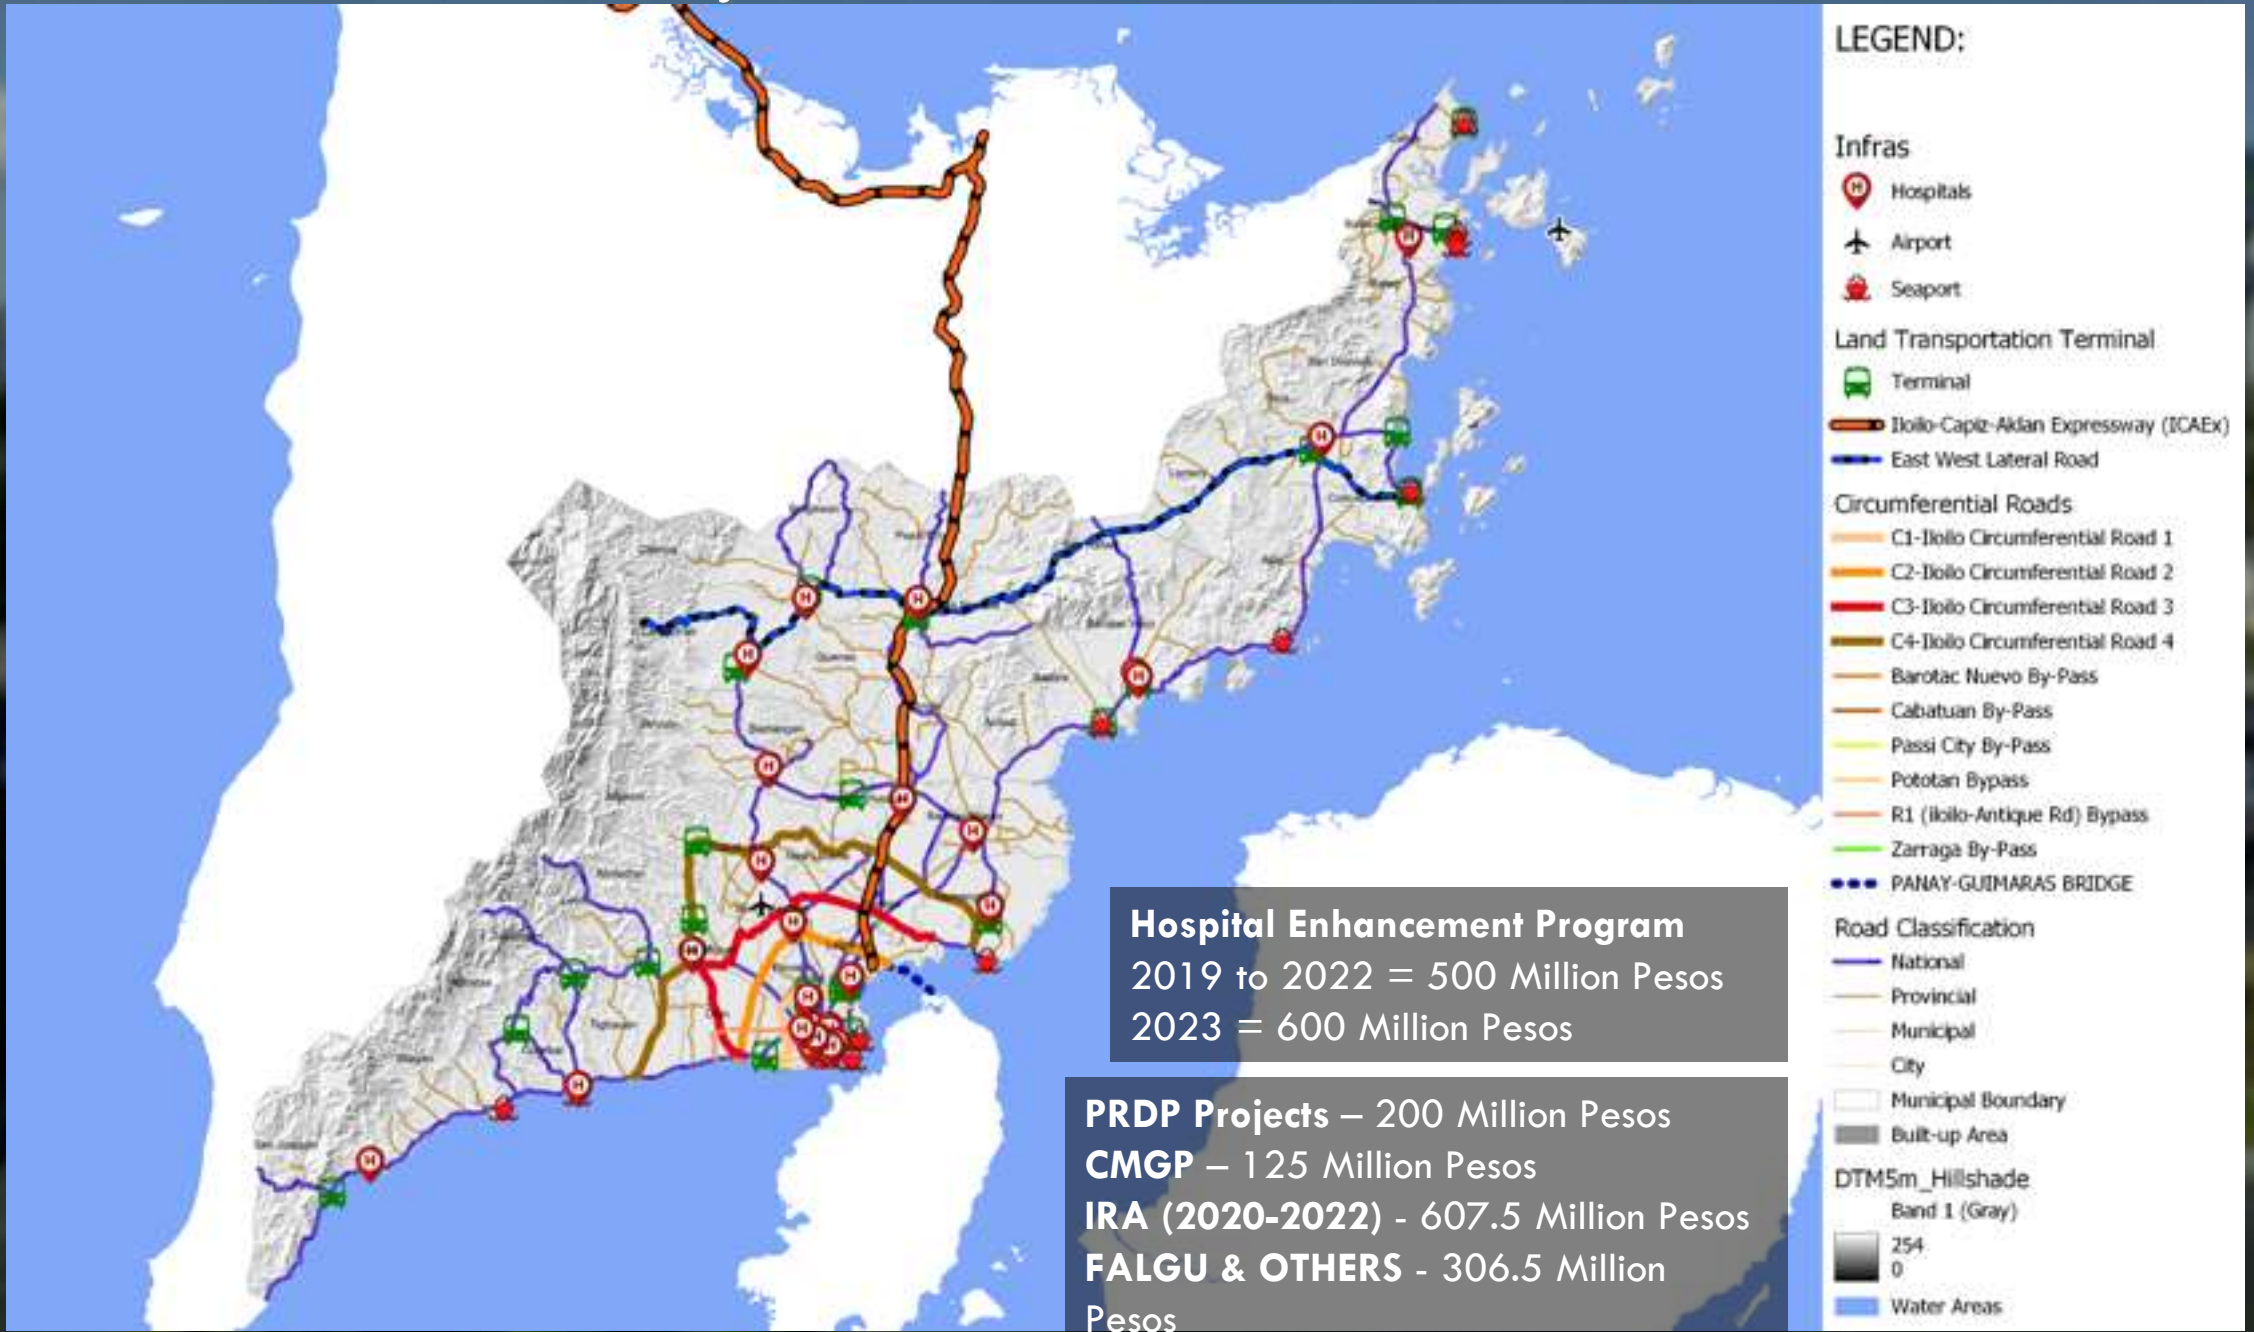

Develop growth areas that shall serve as investment centers for the information and communication technology and light industries, and in the process generate employment and business for the Province's service and manufacturing sectors.

FISHWORLD SEAFDEC
Tigbauan

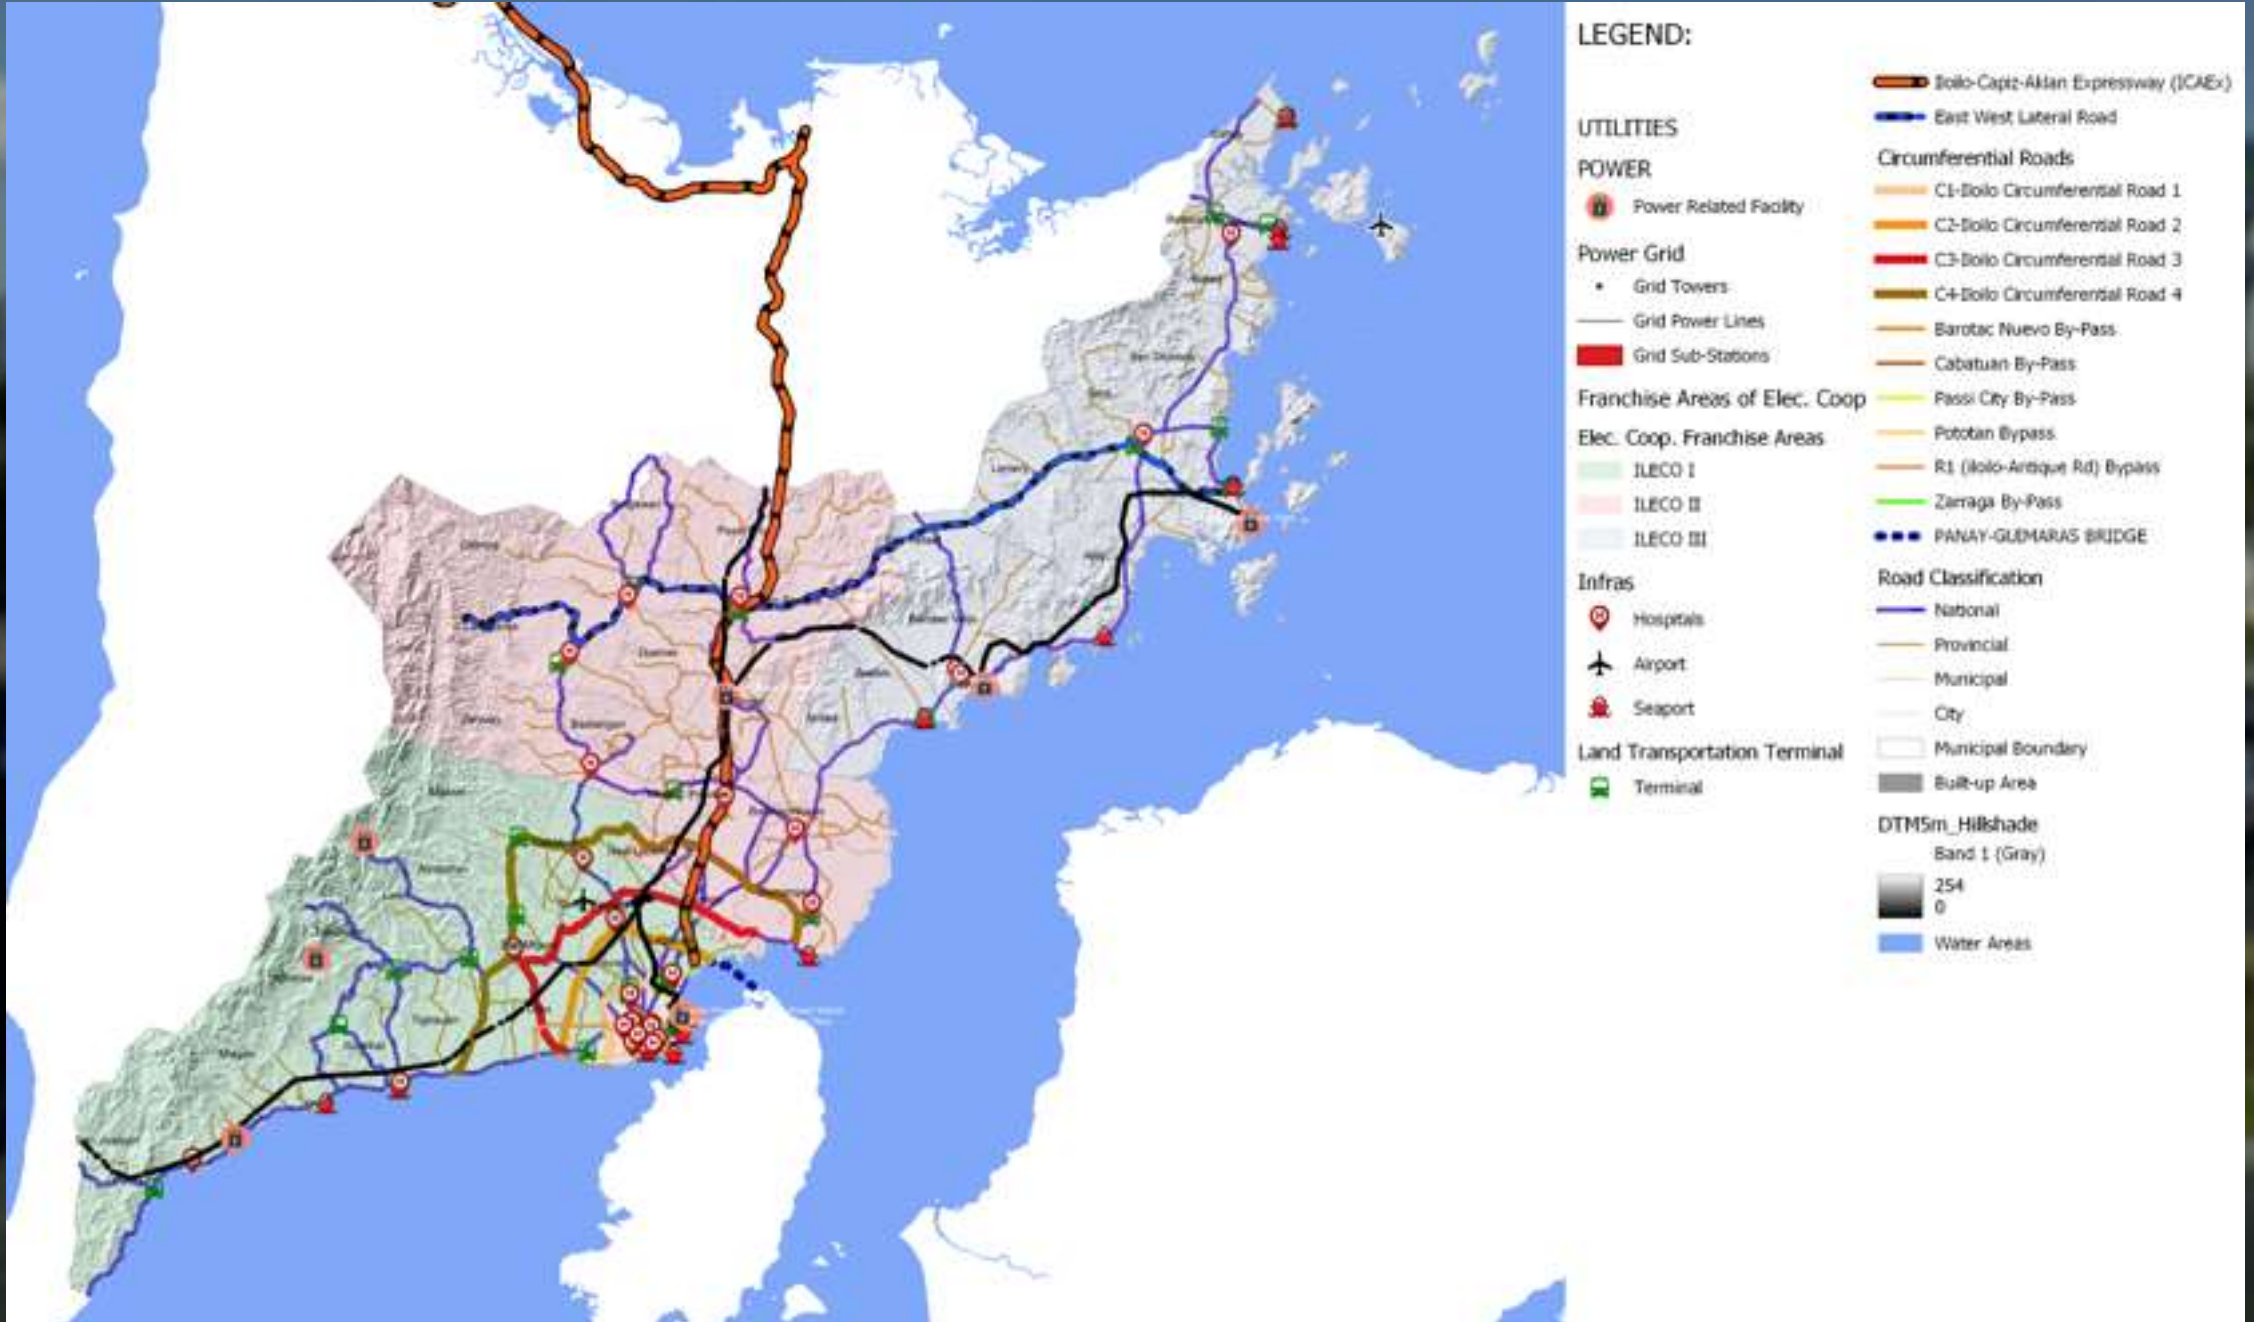

Development Thrust

To **create a strong middle class** in the Province who shall be financially capacitated clients and customers of the Province's service industry and commercial establishments.

Title: **ProCiD Serv Iloilo**

*“Institutionalization of PROVINCIAL CIVIL DEFENSE
SERVICE OF ILOILO”*

Date Implemented: May 26, 2021- Present

Provincial Civil Defense Service of Iloilo (ProCiD Serv Iloilo) is a system for an intensified and focused effort in the protection of the welfare of the citizens during crises and emergency situations, such as natural disasters, social disorder, economic crisis and political unrest, including those brought about by continuing and pervading emergency conditions, such as but not limited to climate change, prohibited drug abuse and trade, criminality and insurgency.
