driving the way forward

Sustainability and impact

Increasing demand for digital and cashless solutions given current events with the global pandemic

Digital = Cashless, Contactless, Remote

- Cashless City Hall/ Provincial Capitol?
- Cashless Public Market?
- Cashless Public Transport?
- Citizen ID or ATM Card?

What do LGUs want to convert to cashless?

What do LGUs influence?

New Normal = New LGU

GCash complementing the new normal “Stay at Home” Lifestyle

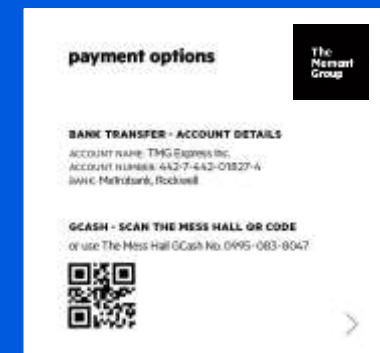

More users with up to 700% YoY growth in transactions

Providing awareness & relevant communications

Increased adoption via our partner merchants

PART II

What can we do together?

Digitizing Funds Disbursements and Payments Collection through GCash efficiently, conveniently and safely

Building a Cashless City

Providing safety, ease and convenience to the citizens

Digitizing LGU Payments Collection and Funds Disbursements with GCash

Funds Disbursement:

Gcash PowerPay+ Portal - A 24/7 online disbursement facility that enables fund transfers to enrolled payees

Payments Acceptance:

Scan-to-Pay QR (keycard or digital) - for over the counter transactions or payments accepted through online websites

Pay Bills - be a biller under the Pay Bills function of the GCash app

Online Webpay API - linking of GCash Checkout Page via API on your website

Digital & real-time disbursements for a secure and convenient way to distribute beneficiary funds

GCash PowerPay+

A 24/7 online disbursement facility that enables fund transfers to enrolled payees.

Experience Cashless Convenience

KYC Registration

Batch registration of your members to GCash

Receive a real-time SMS after disbursement

Full-suite Services

Enjoy all services that GCash offers

Strong Public Partnerships...

Makati to give P5,000 per qualified resident under economic aid program

Around 500,000 Makatizens are set to benefit from the cash aid, which the city government will be distributing through electronic money transfer app GCash.

DSWD, LTFRB partner with GCash for faster, contactless SAP distribution

Published May 14, 2020, 2:29 PM

Kalingang QC Beneficiaries May Opt for GCash for Disbursement Method

Partners: GCash, Social Amelioration Program, Kalingang QC

MAY 26, 2020

...and the list keeps growing!

Optimizing emerging opportunities for digital payments shift

OPPORTUNITIES

Moving towards financial inclusion

Increased usage and adoption

Digital payments grew by 33% with 7 out of 10 Filipinos transacting thru contactless payments

Accelerated digital transformation

Seamless and secure platforms for businesses and MSMEs

Contribute to business growth

Accessibility to digital payments increases operational efficiency

Manual Processes

Manual processes in recording and posting payments affecting operational efficiency and costs

Accessibility

Distance of customer to location of physical store/s; store operating hours, closed on weekends

Collection Efficiency

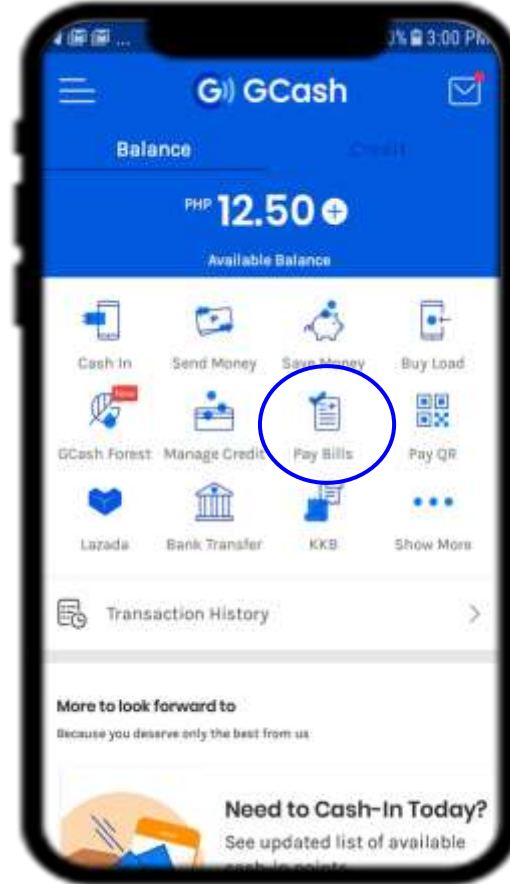

Less options to customers means lower collections for merchants/business owners

Enable LGUs to accept payments acceptance via GCash channels

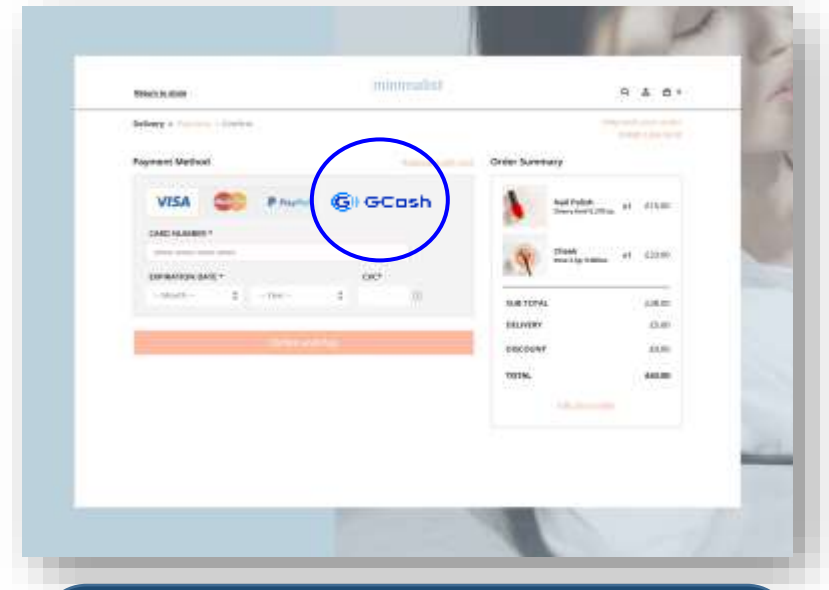

Scan-to-pay QR

Pay Bills in-app

Online Payments

Benefits of Digital Payments Acceptance

- Fast and Secure way of accepting payments
- Payments go straight to the nominated bank account of the registered company the next banking day
- Next day availability of transaction and settlement reports
- Real-time SMS confirmation for all transactions
